PCA Skin Modified & Enhanced Jessner's Chemical Peels

These three solutions soften the depth of surface lines around the eyes, nose and help clear acne, smooth skin texture and even skin tone. They are especially beneficial for oily, asphyxiated skin. These modified Jessner's solution address hyperpigmentation from sun damage and hormonal changes

PCA Peel with Hydroquinone

Lighten & strengthening power with minimal surface stimulation.

PCA Peel Hydroquinone Free

Provides an effective option for those with sensitive skin.

PCA Peel with Hydroquinone & Resorcinol

Combine the lightening and brightening power of hydroquinone and flaking agents to leave skin smooth and clear

LED Light Therapy

\$75 Per Package (4) 45 Min Sessions

LED Light Therapy stimulates fibroblast cells which produce collagen and elastin in the skin. These treatments will improve tone, clarity and texture of the skin while decreasing fine lines and wrinkles.

***RED-**Minimizes redness, enhances skin rejuvenation through protein stimulation.

***BLUE-** Minimizes inflammation within the sebaceous glands and kills bacteria which causes acne.

L&S Body Treatments

All Body Treatments include the use of an Infrared Detox Blanket which will open pores and release impurities, allowing active ingredients to penetrate deep into the skin thus increasing the chemical process in the body.

*Includes the use of a steam shower

Detoxifying Seaweed Body Wrap~\$95 (90 Min)

This treatment begins with an Invigorating Sea Salt Scrub followed by an application of select marine clays that are infused with amino acids, Vitamin E, Grapefruit extract and Kelp. This is one of the most simple and comfortable procedures to rid the body of accumulated toxins. Finally, finish with a luxurious, moisture-binding emollient that provides deep lasting hydration for the skin.

The "Ideal" Moisturizing Body Treatment \$100 (90 Min)

Envelope your body in a soothing Green Tea cleanser that has a soft Mint Essential Oil Base, followed by a luxurious body polish with natural Almonds, Aloe Vera, Pro Vitamin B5 and Minerals ~ Relax in a Steam Shower allowing the polish to penetrate deep into the skin, leaving it smooth, soft and hydrated. Then, enjoy a Back Massage with the use of Aromatherapy Essential Oils.

The Signature Facial~\$55 (75 Min)

Best-Seller

This is a highly effective Facial Treatment without the after effects of peeling; a great option for all skin types and conditions. This treatment offers a cleanser, toner, facial massage, deep pore cleansing with steam, ventouse & extractions (as needed), gentle exfoliation, customized serums, moisturizer & SPF. (Hand Massage with Moisturizer or Eco-Fin with Warm Hand Mitts included)

***Maintenance Program**

5 Signature Facials \$180

Signature Back Facial~\$55 (60 min)

Microdermabrasion~\$100 (60 min)

This is the latest in microdermabrasion technology. This treatment offers manual exfoliation of the outermost layer of the skin, the "Epidermis". This procedure will remove dead skin cells and stimulate cell growth in the underlying dermis. A single treatment can remove 20 to 30% of the epidermis. Microdermabrasion will give a smooth, fresh appearance to the skin.

Each treatment includes up to 4 passes of Microdermabrasion, an enzyme mask application and customized serums.

Pre-paid package of 5 treatments

Get the 6th FREE~\$500

Maintenance after a series of 6 treatments~\$75

PCA Skin Blended TCA Chemical Peels

TCA (Trichloroacetic Acid) solutions include blends of lactic acid, Kojic acid, azelaic acid and plumping phytohormones to produce dramatic results without the discomfort and downtime associated with traditional TCA Peels.

***Each Peel comes with a Post Procedure Homecare Kit.**

Esthetique Peel (45 Min)

This is an excellent treatment for smoothing, firming and brightening of all skin types- even extra sensitive skin, including Rosacea and Acne. This peel is formulated with lactic acid and retinol along with antioxidants, polyphenols, vitamins and brightening Ingredients that will improve the texture of the skin and work to correct skin discoloration.

Sensi Peel (45 Min)

This is a gently peel that is formulated primarily for extremely sensitive skin types. This treatment will brighten your skin; treat sun damage and other forms of hyperpigmentation. This also provides anti-inflammatory, anti-acne and antibacterial benefits, making this an excellent choice for clients who suffer from Rosacea.

Ultra Peel I (45 Min)

This peel is specially formulated to treat dehydrated, maturing skin. This treatment is ideal for sensitive skin and will help treat pigment disorders, fine lines and wrinkles, sun damaged skin and acne.
